Dear Students and Parents:

The staff and administration welcome you back as we begin the 2024-25 school year. The new school year always brings with it the feelings of hope and excitement, and the promise of a fresh school year has our staff excited to continue to provide the high quality of education that everyone has come to expect at Ipswich High School.

The student-parent handbook serves two primary purposes. First, it details important policies and procedures that the school follows in order to maintain a safe, respectful, and productive learning environment. The handbook is a great reference for students, staff, and parents to guide us as we make consistent decisions to ensure we are doing what is best for all students. Parents should take time to review the expectations together. Second, the handbook provides families with information about how to access helpful programs and services and includes the contact information for them.

On behalf of the high school faculty and staff, we look forward to a great year filled not only with success in and out of the classroom, but also fond memories for the years to come!

Please feel free to contact me if you require more information.

Thank you,

Jonathan Mitchell  
Principal  
Ipswich High School

## STUDENT'S CODE OF CONDUCT AND REGULATIONS

As an Ipswich High School Student you will be preparing to take your place in an increasingly complex world that requires self-motivation, a sense of responsibility, respect for oneself and the individual differences of others. You will be challenged academically and encouraged to participate in as many aspects of school life as possible. It is our goal to assist you in the development of the skills necessary for you to succeed in high school and in life as well as to prepare you for your role as a responsible adult in the world.

Ipswich High School expects all students to represent our school and community with respect, integrity, and kindness at all times. All school sponsored events are governed by the rules listed in the Parent-Student Handbook. The same expectations extend to non-school sponsored events.

Your handbook is designed to assist you with the daily routine of IHS. The Code of Conduct is alphabetized by category and other related information can be located in the Appendix. Discipline is considered an aspect of the learning process and it is hoped that all students will exercise the highest form of discipline: self-discipline. You are responsible for abiding by the handbook. It should be used as an outline to guide you in areas that may lead to disciplinary consequences for your actions. Your self-reporting, honesty, and cooperation will be taken into consideration if there is to be disciplinary action for an infraction to the Code of Conduct. The handbook is not all inclusive. Any handbook violation deemed of a serious nature may be referred to the Superintendent and or School Committee for additional disciplinary action. The Ipswich School Committee has adopted the Code of Conduct and reserves the right to impose disciplinary action in case of an emergency.

## ALCOHOL BREATHALYZER PROGRAM AND APPLICABLE SEARCHES

Attendees at school dances and proms will be subject to random alcohol screening using a Breathalyzer device. Students will be selected using a random method determined prior to each event. The random process may involve assigning numbers in advance (every 10<sup>th</sup> student who enters) or a computer assigned random selection. The process will remain random. Students who display behaviors or actions giving rise to reasonable suspicion of impairment or possession of prohibited substances will be subjected to a Breathalyzer or search.

### ACTIONS:

1. A student who refuses a breathalyzer test will not be admitted to the event, will be denied access to similar events for the remainder of that year, and parents will be notified.

A guest who refuses to take a Breathalyzer test will be denied admission and will be restricted from attending any future events at Ipswich High School.

2. Upon a positive reading on the Breathalyzer, the students' parents will be notified and requested to transport the student home from the event. A hearing will be scheduled with the school administrators. Handbook rules will apply, including the Chemical Health rule. The punishment may include a suspension from school of 5 days. Attendance at similar functions will be denied for the remainder of the school year.

Students who record positive result on the Breathalyzer and who acted as the driver of a car that transported other students or themselves will be referred to law enforcement. The driver of a car is

considered to have a greater burden to act in a manner designed to avoid harm to the occupants of their vehicle.

A student who has driven to the event, and found under the influence as a result of a Breathalyzer test, will have the vehicle searched. The vehicle will be released only to the parents or law enforcement.

### APPEAL PROCESS

Discipline administered to a student by the Assistant Principal may be appealed by a student or parent to the Principal. Discipline administered by the Principal may be appealed to the Superintendent of Schools to the extent permitted by law.

### ATTENDANCE

#### Student Absences and Excuses

Regular and punctual school attendance is essential for success in school. The Committee recognizes that parents of children attending our schools have special rights as well as responsibilities, one of which is to ensure that their children attend school regularly, in accordance with state law.

Parents and students are reminded that Massachusetts General Law Chapter 76 requires compulsory attendance for students. MGL Ch. 76, section 1 states (in part) that schools “may excuse cases of necessary absence for other causes not exceeding seven day sessions or fourteen half day sessions in any period of six months.” The Massachusetts Department of Education classifies all absences as unexcused, regardless of the reason. We strongly discourage family vacations/ travel when school is in session, and instead encourage families to schedule travel only during school holidays and vacations. In addition to compromising the attendance law, family vacations interrupt the educational process in ways that make-up work cannot reverse. Teachers are not required to provide homework assignments prior to a family vacation or travel. It is the responsibility of the student to meet with teachers and make-up missed work upon his/her return.

#### Student Absence Notification Program

In the event that a student is going to be tardy or absent, it is the parent/guardian’s responsibility to notify the school. Families of students whose absence has not been reported will be contacted by the school office the morning of the absence. As a reminder, the parent notification serves as a safety measure, not a means of excuse.

In instances of chronic or irregular absence reportedly due to illness, the school administration will request a physician's statement certifying such absences to be justified.

Each Principal or designee shall make a reasonable effort to meet with any student, and that student’s parent/guardian, who has missed five (5) or more unexcused school days in a school year. The meeting shall be to develop action steps to improve student attendance and shall be developed jointly by the Principal or designee, the student, and the student’s parent/guardian. The parties may seek input from other relevant school staff and/or officials from relevant public safety, health and human service, housing, and nonprofit agencies.

#### Chronic Absenteeism

The chronic absenteeism rate for each school and group includes both excused and unexcused absences.

#### Attendance levels

Regular Attendance - 5% 9 days or less absent per year (1 day a month)

At-risk Attendance - 5.1%-9.9 % 10-17 days absent per year(1 or more day)

Chronic Absence - 10%-19.9% 18-35 days absent per year (two days a month)

Severe Chronic Absence - 20% 36 days absent or more per year

Ipswich High School is equipped with voice mail which helps to manage our documentation of student absences. Messages may be left at any time of day. A parent/guardian must contact the office before 8:15 on the date of absence. A student must be in school by 8:15 a.m. to participate in or attend any extracurricular event on that day. It is the student's responsibility to provide documentation for any absences. College visits (see page 9) must receive prior administrative approval to be considered for a waiver. Please note that voluntary student absences (vacations, family trips, etc.) will not be considered for appeal and will count towards a student's total absences for the year. Students are allowed to make up work missed during their absence; however, it should be noted that only individually completed work assignments, quizzes, or tests can be made up. Class participation, collaboration with one's peers, and interaction with the teacher, from which much knowledge and growth occurs, are all important learning activities that are impossible to make up.

#### Effect on Grades

Students will receive a failing grade of 59 (FA) for a quarter if they accumulate five or more absences for that class in that quarter. If a student's average is below 59, the student will receive the lower grade.

#### Advanced Permission

With prior approval from the principal, students in good standing can apply in advance to have their absences considered on a semester basis rather than a quarterly basis such that their absences cannot exceed eight absences for that semester. Interested students will need to apply prior to the start of each of the semesters for which they are seeking this exceptional consideration. The principal will consult with the student's teachers before making the final decision.

#### Extraordinary Circumstances

Students may request a waiver for extraordinary circumstances by submitting an appeal in writing to the Assistant Principal within 10 days after the end of the quarter during which the excessive absences occurred. Requests for appeal submitted after the 10 days have expired will not be granted. School administration will consider the circumstances, the student's prior attendance, and grades in deciding whether to grant the appeal.

With proper documentation, absences for only the reasons listed below will not count towards the student's cumulative class absences.

1. Chronic or contagious illness or incapacitation
2. Court summonses
3. Family emergencies
4. Emergency medical or dental appointments

## 5. Other emergencies approved by the administration.

An additional remedy for failure due to excessive absences is for a student to improve his or her attendance for the quarter immediately following the one in which he or she exceeded the maximum number of absences. Specifically, if a student attends 90% or more class meetings for that same class he or she previously failed, the average for that failed quarter will revert to the average the student had originally earned. When students fail a fourth quarter class due to absences, they can re-earn their grade(s) by attending 90% of the days in the first quarter of the subsequent year. Seniors who have failed a course during 4th quarter may make up attendance through community service hours commensurate with the number of missed classes as arranged by school administration.

### BACKPACKS

Students may bring backpacks to their classes. Backpacks and all other types of bags must be compact enough to be stored in classrooms such that staff and students can walk safely about the room.

### BULLYING & HARASSMENT

Reference full on-line [bullying and harassment policy on the district website](#).

From [Policy JICFB](#):

Bullying and harassment is the repeated use by one or more students or by a member of a school staff including, but not limited to, an educator, administrator, school nurse, cafeteria worker, custodian, bus driver, athletic coach, advisor to an extracurricular activity or paraprofessional of a written, verbal or electronic expression or a physical act or gesture or any combination thereof, directed at a victim that result in one or more of the following:

1. Causes physical or emotional harm to the victim or damage to the victim's property.
2. Places the victim in reasonable fear of harm to himself or of damage to his property.
3. Creates a hostile environment at school for the victim
4. Infringes on the rights of the victim at school
5. Materially and substantially disrupts the education process or the orderly operation of the school.

Cyberbullying or harassment involves bullying through the use of any electronic communication. If the communication involves any of the 5 above listed conditions, it is considered cyberbullying.

Bullying and harassment regulations apply not only in school buildings but also on school grounds, at school sponsored events and activities, and through the school's technology and electronic devices. Bullying or harassment at non-school activities or locations that involves any of the 5 above listed conditions is subject to these regulations.

Upon confirmation of a bullying or harassment incident, students will be subject to disciplinary actions that range from a conference to suspension from school. The Superintendent of Schools and/or police department may be notified if further action is deemed necessary.

Reprisals, threats or intimidation of a student who reports incidents of bullying or harassment will be treated as a serious offense and may result in a five-day suspension. A referral may be made to the Superintendent of Schools for disciplinary action including referral to the School Committee for further action up to and including permanent expulsion from school.

All reports of bullying or harassment will be treated as confidential and will be maintained in such a way as to protect both the student and the accused.

#### BUS CONDUCT FOR STUDENTS

Transportation to and from school is provided for those students who do not walk to school. There is no late bus. Please contact Central office at 978-356-2935 x. 1126 for further information. Buses will leave the school at approximately 2:25, except on Thursdays when they leave at 1:21.

All school transportation should be a safe, orderly and efficient activity. The Ipswich School Committee expects system wide transportation in accordance with the law and administrative regulations. Students should be aware, however, that transportation can be temporarily suspended due to violations of the rules below. The Principal must be notified by the transportation contractor of all student misbehavior.

#### BUS RULES

1. Be on time for the bus
2. Stay off the street while waiting for the bus
3. Do not record or photograph others on the bus

These rules are necessary for the protection of the health, safety and welfare of all students riding the buses. Abuse of these rules could result in denial of the privilege of riding the bus as well as being financially liable for the damage caused.

### CAFETERIA

Hot and cold lunches are served in the cafeteria during regularly scheduled lunch periods. The cafeteria will operate on an I.D. number system using a debit approach. We encourage students to access the recycling bins as part of the disposal of trash. All students will receive student identification cards. Lunches are currently free to all students through a state subsidy, but families can supplement student lunches by creating an account through [myschoolbucks](#).

Students are expected to conduct themselves in an orderly manner during lunch periods and to properly dispose of trash upon completion of their lunches. Students who misbehave during lunch periods and/or fail to dispose of their trash upon completion of lunch will be assigned 1 day of detention for the first offense. Subsequent violations will result in 3 to 5 days of detention. Students involved in food fights in the cafeteria may be subject to progressive discipline.

### CELLPHONES

During the 2024-2025 school year, Ipswich High School will be a cell phone free environment. Our goal is to improve the mental health of students as well as enhance the culture of the classroom and school campus by eliminating cell phone distractions. Students will be required to keep their powered down phones in a phone locker for the duration of the academic day. The “academic school day” is defined as the start of first period and throughout the day until the last class is over. Any student who chooses not to bring it to school must have an email on file stating that a cell phone will not be brought to school. With our one-to-one Chromebook devices, students have the necessary technology to access learning in their classes. Parents are asked not to call or message their children during school hours; however, they can email their child via their school email or contact the school office and this message will be passed on to their child. Students will also be provided an opportunity to return parents’ call via the school office phone in case of an emergency. Failure to follow the personal device rule will result in consequences outlined on page 15 of this handbook.

### CHEMICAL HEALTH RULE

In an effort to both promote healthy decision-making as well as prioritize the safety of our students and their community, Ipswich High School has adopted a rule whereas every Ipswich High School student will be subject to the following expectations regarding underage drinking and drug use. From the first day of school until the last day of school each school year, no student shall use, possess, consume, buy, sell, or give away any illicit substance or product, regardless of quantity either on or off campus.

These substances or products include any beverage containing alcohol, any tobacco product, marijuana, steroids, vapes, inhalants, or any controlled substance. It is not a violation for a student to be in possession of a legally defined drug specifically prescribed by the student’s doctor for the student’s use. While in school, students may not carry prescription or other drugs. All drugs, prescription or otherwise, must be dispensed at the school’s health office.

As with other rules and policies contained in this handbook, progressive discipline will be the goal when enforcing consequences, but Ipswich High School retains sole discretion in determining an appropriate level of discipline. Our priority as a school is to emphasize the educational opportunities that arise when student behavior violates policy. An additional factor in assigning consequences for infractions will be their impact on the community.

#### Police Charged or Summoned | Possession or Under the Influence of Alcohol/Drugs

An Ipswich High School student who is charged or summonsed by the police for being in possession of alcohol/drugs, or for being under the influence of alcohol/drugs, will be found to be in violation of the chemical health rule and will be subject to the penalties listed below. The Principal shall enact the penalty after receipt of a police report documenting the offense. The principal will show reasonable discretion so that the consequences do not compound, e.g. the student loses leadership position AND cannot attend a school dance. If the student is an athlete, the MIAA consequences for a chemical health rule violation will be applied.

The following are the minimum penalties for violation of this rule:

#### First violation:

When the Principal confirms, following an opportunity for the student to be heard, that a violation occurred, the following penalties will apply:

- Loss of eligibility for the next consecutive interscholastic contests or extracurricular activities totaling 25% of all interscholastic contests/activities. No exception is permitted for a student even if the student becomes a participant in a treatment program.
- During the suspension, a student may not be in uniform; however, students are expected to attend practices, events, rehearsals, etc., to support their team/club unless otherwise prohibited by the high school principal.
- The student will lose any elected or appointed leadership position for the remainder of the academic school year.
- The student will not be eligible for any school award whose criterion includes positive citizenship, character, or leadership for the remainder of the academic school year.
- Any other penalties required by a league, chapter, society, or those expected by the coach or club advisor will also apply.
- Attendance at school functions (dances, shows, athletic events) may be prohibited for up to 45 days

#### Second and subsequent violations:

When the Principal confirms, following an opportunity for the student to be heard, that a violation occurred, the following penalties apply:

- The student shall lose eligibility for the next consecutive interscholastic contests or activities totaling 60% of all interscholastic contests or activities.
- If, during the second or subsequent violations, the student elects to enroll in an approved chemical dependency program or treatment program, the student may be certified for reinstatement in MIAA or IHS activities after a minimum of 40% of events provided the student-participant was fully engaged in the program throughout that penalty period. The director or a counselor of a chemical dependency treatment center must issue such a certificate of completion.

- During the suspension, a student may not be in uniform on an athletic team; however, students are expected to attend practices, events, rehearsals, etc. to support their team/club unless otherwise prohibited by the high school principal.
- The student will lose eligibility for all appointed or elected leadership positions for the remainder of the academic and subsequent school year.
- The student will not be eligible for any school award whose criterion includes strong citizenship, character, or leadership for the remainder of the academic and subsequent school year.
- Any other penalties required by a league, chapter, society, or those expected by the coach or club advisor will also apply.
- Attendance at school functions (dances, shows, athletic events) may be prohibited for up to 90 days

Penalties shall be cumulative each academic year but will not generally be carried over from year to year. The school will notify students during the school year that the violation occurs whether penalties will carry over to the following year. If the penalty period is not completed during the season of violation, the penalty shall carry over to the student's next season of actual participation, which may affect the eligibility status of the student during the next academic year.

### CLASSROOM DECORUM

Students should be properly prepared for class, having appropriate materials and texts, take care of the property within the classroom and maintain respectful behavior towards staff and fellow students. If a student's behavior is such that the student is asked to leave the classroom, the student must do so immediately. Failure to leave the classroom and/or refusing to report to the office may be a suspendable offense. Science labs, Art, Technology Education and Physical Education are examples of classes where inappropriate behavior could jeopardize the safety of others. Depending on the severity, misbehavior in these settings may result in a suspension.

### COLLEGE VISITS

Ipswich High School recognizes the value of a student visiting colleges in which he or she is interested. It also recognizes the importance of school attendance. Therefore, students should attempt to schedule college visits when Ipswich High School is not in session. When missing school is unavoidable, students may submit a request for a college visit day, which will not count against his or her attendance. Sophomores will be granted one college visit day, juniors will be granted a maximum of two school days for college visits, and seniors will be granted a maximum of four school days. The college visit request form must be submitted at least three school days prior to the visit, and students must submit documentation (e.g. email from college rep, informational flyer, dated photograph on campus, etc.) of their college visit upon their return to school; otherwise, the day(s) will count as an absence.

### COMPUTER USE/ABUSE

In using district technology, students agree to abide by the guidelines outlined in the Student Computer Use Agreement (available both in Aspen and on the district website). This agreement ensures responsible and ethical use of district-provided technology, fostering a safe and productive learning environment for all. Students are expected to familiarize themselves with the terms of this agreement and adhere to its principles at all times while using district technology. Violation of the Computer Use Agreement may result in disciplinary action.

Examples of behavior which may result in the loss of the Internet/computer privileges:

1. Sending hate mail, making discriminatory remarks and any other antisocial behavior
2. Accessing or processing pornographic material, inappropriate text files, or any files dangerous to the integrity of the local network
3. Using the Internet for financial or commercial gain
4. Using the Internet to harm other people
5. Interfering with other people's computer work
6. Trespassing in other people's files
7. Using someone's name, likeness or image without their permission
8. Downloading and using software for which you have not paid
9. Using other people's computer resources without authorization
10. Using the Internet for illegal activities

There is access to many areas of the Internet. Students are reminded that each area has its own policies and procedures. It is the user's responsibility to be knowledgeable of and abide by each area's specific policies and procedures. Students are responsible for good behavior on-line. Students are expected to abide by the generally accepted rules of network etiquette. These include (but not limited) to the following:

1. Be polite, use appropriate language and do not send abusive messages to others
2. Illegal activities are strictly forbidden
3. Do not reveal personal information about yourself and family or members of the school
4. Do not use the network in such a way that the use of the network by other users would be disrupted
5. Assume that all communications and information accessible via the network is private property

Student computer files and disks are considered to be school property and are subject to search.

The consequences for abusing the Internet will be determined by school officials. The severity of the consequences will depend on the severity of the offense. Consequences include loss of access to computers for the remainder of the school year as well as disciplinary action up to and including suspension.

#### CONDUCT AT OFF-SCHOOL ACTIVITIES

Student behavior at all school related sponsored events, regardless of where the events are held, is governed by the rules listed in the Parent-Student Handbook. Proper behavior, consideration for others and general good manners are expected at all school events.

#### DANCE RULES AND PROCEDURES

1. All school rules apply
2. Registered/approved guests are welcome. The host student is responsible for their guest
3. Once admitted, students who choose to leave the dance will not be readmitted and must leave school property or the site of the dance in the case of off-site events.
4. Breathalyzer Program applies.

### DETENTION (Teacher)

Teacher detentions are typically the first step in progressive discipline for unwanted student behavior. Teachers may assign students to report to them after school for up to 60 minutes to discuss behavior, make up work, provide extra help, etc. A twenty-four hour notice will be given before the assigning of a teacher detention. If a student is simultaneously assigned teacher detention and office detention, teacher detention takes precedence. The student is responsible for bringing a teacher signed note to the office detention room.

The student must reschedule the office detention at that time. Failure to report to a teacher detention will result in two (2) office detentions.

### DETENTION (Office)

Detention will be assigned for failure to abide by the rules as stated in the Code of Conduct or for failure to report to teacher detention. Students will be notified the day before the detention is to start. Failure to report to office detention will result in 5 days detention. Subsequent failure to attend office detention may result in suspension. Students may not accumulate more than 10 consecutive days of office detention. The accumulation of more than 10 consecutive days of office detentions may result in further progressive disciplinary action, including in-house suspension, social probation, or other consequences as determined by building administration. Parents will be contacted. After the successful completion of a suspension, all prior office detentions will be waived.

### DETENTION PROTOCOL

This is a reminder that during office detention students should not be allowed to text, email, play games, use the Internet, access social media, or use electronic devices for any non-educational purposes. Students in detention are not allowed to have visitors. If a student wishes to use an electronic device for completing an assignment, teachers may allow them to do so at their discretion as long as they are able to monitor the student. For detention students must

- Remain silent during detention
- Stay awake and alert with their heads up
- Be on time

### DISCIPLINARY INFRACTIONS AND CONSEQUENCES

All students are expected to meet reasonable expectations for their behavior while enrolled at Ipswich High School. Each individual is responsible for their conduct in school, on school property, at all school-related activities or events off school property, or on school-provided transportation. Failure to adhere to the school's expectations for behavior listed on the following pages may subject a student to disciplinary consequences, including but not limited to those outlined further below.

1. Offenses Covered by G.L. c. 71, §§ 37H and 37H1/2
  - a. Possession/Distribution of Controlled Substances- Any student found on school premises, on a school bus or at school-sponsored or school-related events, distributing or possession a controlled substance as defined by law, may be subject to discipline up to and including expulsion.

- b. Assault of Principal/Assistant Principal/Teacher/Teacher's Aide/Other Educational Staff- A student who commits an assault of a principal, assistant principal, teacher, teacher's aide, or other educational staff on school premises or at school-sponsored or school-related events may be subject to discipline up to and including expulsion.
  - c. Possession of a Dangerous Weapon- A student in possession of any kind of dangerous weapon or object which has the potential of causing bodily harm on school premises or at school-sponsored or school-related events may be subject to discipline up to and including expulsion.
  - d. Felony Charges and Convictions- A student who is the subject of an issued felony complaint or felony delinquency complaint may be removed from school until the adjudication of the criminal charges. A student who is convicted of a felony or who is adjudicated of/admits guilt in court with respect to such felony or felony delinquency complaint may be subject to expulsion.
2. Offenses Covered by G.L. c. 71, §37H3/4-

For all of the offenses listed in the below consequence chart to which suspension or expulsion are listed as a consequence, the decision maker shall consider ways to re-engage the student in the learning process; and shall not suspend or expel a student until alternative remedies have been employed and their use and results documented, following and in direct response to a specific incident or incidents. Alternative remedies may include but shall not be limited to: (i) mediation; (ii) conflict resolution; (iii) restorative justice; and (iv) collaborative problem solving. The sole exceptions to the foregoing requirements are: (1) where specific reasons are documented as to why such alternative remedies are unsuitable or counter-productive; or (2) where the student's continued presence in school would pose a specific, documentable concern about the infliction of serious bodily injury or other serious harm upon another person while in school.

### 3. Educational Services Plan

Suspended students are afforded the opportunity to continue to make academic progress toward meeting state and local requirements while they are out of school. Students who are short-term suspended have access to their assignments and instructional resources that are posted on-line by their teachers. Students who are suspended for ten or more days will be given additional resources that may include

- Four hours of off-site tutoring to support their work on current and/or missing assignments
- Alternative coursework and assessments aligned with the curriculum standards of their current courses on an on-line platform, e.g. Edgenuity

### DISCIPLINE OF STUDENTS WITH DISABILITIES

As required by law, students with disabilities that have individualized education programs (IEPs) or 504 plans are entitled to additional due process in the consideration of discipline.

### DISMISSALS

Parents/Guardians may request the dismissal of their student by communicating directly with the office no later than 7:45 a.m the day of the dismissal.

The reasons for which the administration will excuse a dismissal will be the same as those for an excused absence (see section on ABSENCES p. 7). Students dismissed for any other reason will receive an unexcused absence. The administration reserves the right to deny a dismissal request for cause. A student who is dismissed before 1:30 p.m. Monday, Tuesday, Wednesday and Friday or 12:30 p.m. on Thursdays forfeits the privilege to participate in and/or attend any extracurricular activities on that day. Students are not allowed to be dismissed early on days when the junior or senior prom are scheduled. If a student accumulates more than five undocumented dismissals in a quarter, he or she will be assigned an office detention for each subsequent dismissal.

Students must sign out at the main office at the time of their dismissal and when applicable must sign in upon their return. Students who fail to sign out when being dismissed from school or fail to sign in when returning will be assigned office detention.

### DRESS CODE

The right of students to freedom of expression in the public schools of the commonwealth shall not be abridged, provided that such right shall not cause any disruption or disorder within the school.

School officials shall not abridge the rights of students as to personal dress and appearance except if such officials determine that such personal dress and appearance violate reasonable standards of health, safety, and cleanliness.

To ensure the safety of students, headwear that potentially conceals a student's identity or inhibits hearing is not permitted inside the school building.

### **DRINKING (Use of Alcoholic Beverages on School Grounds)**

The possession, odor of, use, sale, supplying, giving or purchase or the attempt to possess, use, sell, supply, give or purchase alcohol or illegal drugs on School Grounds/during school affiliated events, will result in the student being disciplined in accordance with the law and this handbook. Further, the consequences delineated in the "Police Charged or Summoned" tier of consequences in the Chemical Health rule (Page 9) will apply. Subsequent offenses will result in administration considering further action including the possibility of long-term suspension and/or expulsion. A portion of the suspension may be waived if the student and the family agree to a drug/alcohol treatment agency and to follow the recommendations of the agency's counselor. The student will be readmitted to school upon providing evidence of a scheduled appointment for the assessment. The student will have a two-day grace period in which to make the appointment.

### **DROPOUT PREVENTION**

No student who has not graduated from high school shall be considered permanently removed from school unless the Principal has sent notice to a student, and that student's parent/guardian, who has been absent from school for ten (10) consecutive days of unexcused absence. The notice shall be sent within five (5) days of the tenth consecutive day of absence and shall offer at least 2 dates and times within the next ten (10) days for an exit interview with the Superintendent or designee, the student, and the student's parent/guardian. The notice shall be in both English and the primary language of the home, if applicable. The notice shall include contact information for scheduling the exit interview and shall indicate the parties shall reach an agreement on the date/time of the interview within the ten (10) day timeframe. The timeframe may be extended at the request of the parent/guardian and no extension shall exceed 14 days.

The Superintendent or designee may proceed with any interview without a parent/guardian present, provided the Superintendent has documented a good faith effort to include the parent/guardian.

The Superintendent or designee shall convene a team of school staff to participate in the exit interview and shall provide information to the student and, if applicable, the student's parent/guardian on the detrimental effects of early withdrawal from school and the alternative education programs and services available to the student.

### **DRUGS**

Illicit drugs include prescribed controlled drugs used without a physician's authorization; over-the-counter drugs used for recreation and controlled illegal drugs including marijuana, cocaine,

amphetamines, ecstasy, barbiturates, opium and derivatives; other hallucinogens and mind altering drugs (e.g., edibles, mushrooms). Synthetic or natural drugs including but not limited to Spice, K2, and bath salts as well as any abusable glue, aerosol paint or any other chemical substance, including but not limited to, lighter fluid and reproduction fluid, or inhalation of other unlawful or controlled substances as determined by law are also included within the meaning of illicit drugs. The possession, odor of, use, sale or purchase of these substances or what is represented to be these substances is forbidden on school grounds/functions.

Students who are found on school premises or at school sponsored/related events (including athletic games) using or in the possession of a controlled substance will be disciplined in accordance with the law and this handbook and may be referred to law enforcement.

If a student receives a long-term suspension, a portion of the suspension may be waived by the school administration if the student successfully participates in a drug abuse counseling or treatment program. The amount of suspension time waived will depend on the length and quality of the student's participation in the counseling or treatment program.

Students suspended for violation of these rules may be required to provide a physician's statement verifying the student's physical and psychological ability to return to school.

### **ELECTRONIC DEVICES**

*Classroom use* of any wireless/and or electronic device of any kind without authorization from your teacher is prohibited. Failure to comply will result in the forfeiture of the device until the end of the school day and may result in office detention or suspension.

**Headphones/Earbuds** - Headphones/earbuds may only be used when in classrooms, pods, or common areas while under the direct supervision of and with the permission of a teacher. Headphones/earbuds may also be used in the cafeteria. Headphones/earbuds used in inappropriate areas such as hallways during passing will be confiscated under the school's electronic device rule. Headphones/earbuds may not be visible in any way in hallways and inappropriate areas.

### **ELIGIBILITY**

In order to participate in extracurricular activities, students must meet the following guidelines:

1. Have fewer than 6 tardies in any quarter
2. Have fewer than 6 absences in any quarter (documented medical absences will be waived)
3. Must arrive in school before 8:15 am and may not be absent
4. May not be dismissed from school on a day the student arrives tardy
5. No dismissals before 1:30 pm or 12:30 pm on Thursdays

### **EXAMS EXEMPTIONS**

Any senior with a 90 or higher final average is exempt from the final exam in that class. This also applies to all students taking AP courses.

### **EXTRA-CURRICULAR ACTIVITIES**

Participation by students in Interscholastic Athletic Activities is limited to students who are academically eligible based on MIAA regulations. Any student who fails more than (1) one 5 credit course or its equivalent will become ineligible to participate in a sport. Student attendance regulations apply to all extra-curricular activities.

## **FALSE ALARMS**

Bomb threats, false fire alarms and the inappropriate use of 911 calls, jeopardize the safety and security of the entire school building. These offenses will result in up to disciplinary action and referral to law enforcement. Criminal laws related to bomb threats and false fire alarms maintain civil and criminal penalties.

## **FIELD TRIPS**

While participating on field trips, students are expected to obey the instructions of chaperones, guides and any applicable rules of the place being visited. Violations of the Code of Conduct will result in disciplinary action as described in the handbook. All school rules apply while on field trips. Students must be in acceptable academic standing to attend any field trips, as determined by school administration.

All students must present a signed "Parental Consent, Release From Liability and Indemnity Agreement" form to the teacher in order to participate in the field trip. For overnight field trips, the administration may request documentation from the student's physician affirming the student's physical and mental fitness to participate.

If a student does not return the indemnity form to the teacher within 10 days of the field trip, no written or phone authorization for that student to participate on the field trip can be accepted.

For participation in overnight trips, students need to uphold behavioral expectations indicated in the student-parent handbook. For individual students who are going on overnight field trips, there is a behavioral expectation that should be met before participation is allowed. The Principal is the final decision maker with regard to participation.

For further information on Field Trips refer to School Committee Policy **IJOA** at <https://z2policy.ctspublish.com/masc/browse/ipswichset/welcome/root>

## **FIGHTING**

Students involved in fighting will have their parents notified, be sent home immediately and receive appropriate disciplinary action. Fighting at school-related activities may result in suspension and forfeiture of privileges to attend such functions for the remainder of the season or year.

Students who record, post, share, or otherwise disseminate videos or images of a fight will be subject to appropriate disciplinary action.

## **FLAG SALUTE**

All students are encouraged to participate in the flag salute. An atmosphere of respect and stillness is expected while the flag salute is being held.

## **FOOD AND DRINK**

Beverages such as coffee, tea, or hot chocolate may be consumed in 1<sup>st</sup> period classes at the discretion of the classroom teacher provided they are in sealed reusable containers in order to

prevent spillage. If a teacher's classroom rules prohibit drinks, they will not be allowed and student failure to follow classroom rules will be considered insubordination.

Food deliveries to the building are not permitted and will be denied access to the school building.

### **FUNCTIONS AND CO-CURRICULAR APPROVAL**

All requests to hold class, club, or organizational activities must be submitted to and approved by the Assistant Principal at least 3 days prior to the event. Late requests will not be unreasonably denied.

### **HARASSMENT - SEXUAL (Student)**

Sexual harassment is unwanted sexual attention from anyone with whom the student may interact in the course of receiving their education in school or at school sponsored activities. The following behaviors from an individual are considered examples of sexual harassment:

- staring or leering with sexual overtones
- spreading sexual gossip
- unwanted sexual comments
- pressure for sexual activity
- unwanted contact of a sexual nature
- sending sexual notes or pictures
- pulling off someone's clothes
- pulling off your own clothes
- making comments and references about another's body

If a student believes that they have been sexually harassed by another student, they should report it to a trusted teacher, School Counselor, parent/guardian, Assistant Principal or Principal. Any accusation of sexual harassment will be investigated by the Assistant Principal or Principal. A written report of the investigation will be filed with the Principal and Superintendent of Schools.

If it is determined that a student has sexually harassed another student the consequences will be:

1. A parent-student conference will be held with the Assistant Principal or Principal.
2. The student may be asked to apologize to the victim.
3. The student may be asked to write a paper on the topic of Sexual Harassment.
4. Depending on the severity of the incident, a student will be assigned 3 to 5 days of office detention and/or receive suspension from school.
5. In cases of repeated harassment by a student, recommendation will be made to the Superintendent and/or School Committee for further disciplinary action and/or possible expulsion from school.
6. Depending on the severity of the incident, a referral will be made to the local police.

Reprisals, threats or intimidation of a student who reports incidents of sexual harassment will be treated as a serious offense and may result in a five-day suspension. A referral may be made to the Superintendent of Schools for disciplinary action including referral to the School Committee for further action up to and including permanent expulsion from school.

All reports of sexual harassment will be treated as confidential and will be maintained in such a way as to protect both the student and the accused.

### **HARASSMENT-SEXUAL (Adult)**

Any sexual behavior or inappropriate sexual comments from an adult towards a student is unethical and is considered sexual harassment. The adult is fully responsible for their behavior. If it is believed that an incident of sexual harassment has occurred the student should report the incident to a trusted teacher, School Counselor, parent/guardian or administrator. The staff member is required to report the incident to an administrator. The administrator will conduct an investigation and file a written report with the Superintendent of Schools. If it is determined that the adult has sexually harassed the student, a referral will be made to the Superintendent of Schools for disciplinary action.

Reprisals, threats or intimidation of the reporting victim by the accused adult will not be tolerated and must be reported to the Principal/Assistant Principal.

### **HAZING**

Hazing is prohibited at Ipswich High School. Hazing is any conduct or method of initiation into any student organization whether on public or private property which willfully or recklessly endangers the physical or mental health of any student. Hazing is a violation of Massachusetts law which may result in criminal penalties

### **HOMEWORK**

A student should expect to have an amount of homework commensurate with the level of courses in which they are enrolled. In other words, students should expect both the rigor of homework and the time required for its completion to increase with each successive grade and in honors or AP level courses. Homework assigned for the next school day will not be posted after 3:30 PM. We encourage parents to take an active role in conveying the importance of homework by

1. Promoting a positive attitude towards homework as an opportunity to both independently practice what they have learned and develop positive work habits
2. Respecting the rigor of work assignments by allowing students to struggle productively and independently
3. Providing a suitable setting for study
4. Supporting a regular routine of homework completion
5. Making resources and materials available when appropriate
6. Empowering students to communicate with their teachers when they need help completing assignments

### **HONOR CODE**

*Ipswich High School is committed to the following academic and behavioral expectations for students: integrity, community, and responsibility. Violation of the Honor Code diminishes the learning experience, not only for those involved, but also for the entire Ipswich learning community. The commitment to uphold the foundations of academic honesty promotes the trust between students and educators necessary to foster a fair and ethical community that will prepare our students as future global citizens.*

### **Types of Academic Dishonesty**

**Cheating:** Cheating is the intentional use or attempted use of deceit, violation of rules and/or misrepresentation of one's work. Examples of cheating include, but are not limited to

- Using any form of memory aid/notes during tests or quizzes without the permission of the teacher.
- Copying/offering answers on tests, quizzes or other assignments.
- Copying/offering homework in written form, or by electronic means.
- Copying or in any way duplicating assignments that are turned in as original work.
- Exchanging assignments with other students, whether you believe they will be copied or not. This is referred to as the facilitation of academic dishonesty and carries the same punishment.
- Using the Internet to search for responses rather than reading the assignment.
- Having anyone, including parents/guardians or tutors, complete assignments
- Presenting collaborative work as individual work.
- Using another's ideas without proper citations.
- The use of unauthorized books, electronic devices, notebooks, websites or other resources for assignments
- Unauthorized collaboration on assignments, including the use of Artificial Intelligence
- Talking or gesturing to another student during a test, quiz or exam.
- Any communication during an assessment will be interpreted as cheating, regardless of the subject matter being discuss
- Intentionally missing a test, quiz, exam, or project deadline for the sole purpose of avoiding a due date, extending preparation time, and/or obtaining information from other students.

**Collusion:** Collusion refers to the agreement or cooperation between students to commit an act of academic dishonesty. Any student who knowingly or intentionally helps another student to perform any act of cheating or plagiarism is subject to discipline for academic dishonesty. There is no distinction between those who cheat and plagiarize and those who willingly allow it to occur. Any collaboration done without permission and knowledge of the teacher may be deemed collusion. Examples of collusion include, but are not limited to

- Allowing another person to copy one's own work or exam.
- Collaborating with another person before a quiz or examination in order to develop methods of exchanging information during the quiz or examination.
- Distributing an examination from an unauthorized source prior to an examination.
- Distributing or selling a paper or other work to other students.

**Fabrication:** Fabrication is the intentional and unauthorized falsification and/or invention of any information or citation in any academic exercise. Examples of fabrication include, but are not limited to

- Falsifying data or results from research or lab/fieldwork.
- Selectively omitting or altering data that do not support one's conclusions.

**Plagiarism:** It is academic theft. Plagiarism refers to the use of another's ideas or words without proper attribution or credit. An author's work is his/her property and should be respected by documentation. Examples of plagiarism include, but are not limited to

- **Directly Copying:** Copying someone else's work & passing it off as your own (cutting & pasting or retyping)
- **Patchwork Plagiarism:** Borrowing phrases from the original source & blending it into your own writing.
- **Paraphrasing:** Summarizing an idea from another source & failing to cite the author/reference.

**Note: definitions of academic dishonesty are adapted from Hamilton Wenham Regional High School handbook, Salem State University Academic Integrity Regulations, and the North Shore Community College Code of Conduct.**

**How can students avoid plagiarism?**

- Give yourself plenty of time. Students are more likely to cheat if they don't have enough time.
- See your teacher for help. Use all avenues of support available to you.
- Write down your sources so that they can be cited.
- Take notes when researching instead of cutting and pasting.
- Cite your sources anytime you use someone else's work. This lets the teacher know what is your work and what belongs to someone else.

### **How can parents help to promote student achievement & avoid cheating?**

- Teachers are available for extra help after school and can be reached by email. Encourage your children to contact their teachers with questions or if they need help.
- Don't push your children beyond their limits with expectations. Many times students make bad decisions because they feel pressure to succeed.
- If you notice that your child is not completing assignments at home speak to them about when and where they are completing assignments.
- If your child is caught cheating, please remember that this is a learning experience; help your child to accept the consequences for his/her actions so that it does not happen again.

### **What are the consequences for infractions?**

- 1st offense: Student will receive a zero on the paper, exam, etc. Teacher will contact the student, parent/guardian, and administration about the infraction. If the student admits their infraction, they will be allowed to mitigate the consequences to the score. The incident will be recorded in Aspen as an Academic Honor Code Violation.
- 2nd offense: Student will receive a zero on the paper, exam, etc, and will be ineligible for National Honor Society and any academic awards for the remainder of the academic year. Leadership roles in clubs, activities or extracurricular teams may be lost for the remainder of the school year. Teacher will contact the student, parent/guardian, and administration about the infraction, and a conference may be held with parent/guardian, student, teacher, and administration. The incident will be recorded in Aspen as an Academic Honor Code Violation.
- Subsequent offenses: Student will receive a zero on the paper, exam, etc., and will be ineligible for National Honor Society and any academic awards for the remainder of the academic year and subsequent years. Leadership roles in clubs, activities or extracurricular teams will be lost for the remainder of the school year and subsequent years, and may be suspended from school for up to 3 days. Plagiarism and cheating offenses are cumulative throughout the student's academic career. The incident will be recorded in Aspen as an Academic Honor Code Violation.

### **IDENTIFICATION**

Students are required to give their proper name to teachers and members of the staff when asked to do so. Failure to give the correct name will result in an office detention. Repeat offenses will result in progressive discipline up to and including suspension.

### **INAPPROPRIATE MATERIAL**

The display of sexually explicit, vulgar, hateful, or other language or imagery inconsistent with the school's mission is not permitted at school. Such material will be confiscated and turned over to the student's parents. Detention and/or suspension may result based upon the nature of the individual incident.

### **INSUBORDINATION (refusal to follow teacher's request)**

Insubordination exhibited to a member of the staff will result in removal from class and a conference between staff member and student to correct the behavior before next class. Teacher and/or office detentions may be assigned. Further incidents will result in conferences with administration and possible in school or out of school suspension, and/or social probation.

### **LEAVING SCHOOL WITHOUT PERMISSION**

Students are not permitted to leave the school grounds and/or building without prior permission. Infractions of this rule will result in a conference with administration and office detention. Subsequent offenses may result in further consequences of in-school suspension and/or social probation.

### **LOCKERS**

Each student will be assigned a locker, gym locker and lock by the Assistant Principal. Master keys to all lockers are retained by the school. Weapons, illegal drugs, alcoholic beverages, stolen property and other contraband may not be stored in school lockers. Only school issued locks are to be used and lockers are to remain locked. Lockers are school property and the school reserves the right to periodically inspect lockers to assure compliance with school rules.

### **MAKE-UP WORK**

Students are responsible for obtaining from each teacher the assignments which were given during their absences and to present to each teacher evidence that the assignment was completed satisfactorily. Missed work (including tests) must be made up in a period of time after returning, equal to the number of school days absent plus one. Failure to complete make-up work on time will result in the student receiving a failing grade for that work. Teachers are not obliged to prepare work in advance for students who are going to miss school.

### **NATIONAL HONOR SOCIETY (Agawam Chapter)**

To be eligible for membership in the Agawam Chapter of the National Honor Society a candidate must be a member of the current Junior or Senior class and have maintained a minimum G.P.A. of 3.75.

Membership, however, is not considered on the basis of grades alone. For this reason students who are academically eligible are required to fill out a survey sheet regarding service and leadership activities. Students should understand that these surveys are not applications for membership and that review of information gathered does not guarantee selection.

A five person Faculty Council appointed by the Principal reviews the surveys completed by academically eligible students for induction into the Agawam Chapter. Students who completed surveys but were not selected may appeal to the Principal. The Principal's role is only to be sure that all facts were available and the correct procedures were followed. **National Honor Society Probation Procedure:** If a member does not maintain the standards previously established by the Agawam Chapter of the National Honor Society, as outlined above, the following steps will be taken:

1. A letter will be sent to the student (and parent if under 18 years old) indicating that a warning period is in effect.
2. A meeting will occur with the probationary student and the National Honor Society advisor.

The Faculty Council's decision may be appealed within ten school days to the Principal.

If a member's probationary period exceeds eight weeks, the member shall not receive credit for National Honor Society membership towards the Distinguished Achievement Award or any other awards involving membership in the National Honor Society and/or requiring the National Honor Society advisor's signature.

The Faculty Council may dismiss a member if the probationary period exceeds 1 semester. The Faculty Council's decision may be appealed to the Principal.

A student who has been dismissed from the National Honor Society will not be eligible for membership in the Agawam Chapter of the National Honor Society in subsequent years.

### **NURSE-HEALTH ROOM**

Students needing to go to the Nurse's office must first receive a pass from their classroom teacher before leaving that class. Students will report to the office if the Nurse or Health Room Aide is unavailable. Students who are ill must not remain in the restroom under any circumstances.

### **PARKING AND AUTOMOBILE REGULATIONS**

Students may not remain in vehicles or stand in the vicinity of the parking area unless they obtain permission from the Principal or Assistant Principal to go to their vehicles during the school day. Scarcity of parking spaces is not a valid excuse for tardiness to school. Careless driving, excessive speed, discourtesy to other persons or vehicles, failure to park properly, remaining in a parked vehicle or loitering in the parking area will result in loss of parking privileges and/or detention or possible suspension depending on the severity of the offense. Grade 10 students will not be permitted to park at school without prior permission from school administration.

Students who are in the corridors or out of their assigned class during class time must have a corridor pass from that teacher. Students without a corridor pass may be assigned office detention.

## **RELEASE OF INFORMATION**

The Ipswich School System may release personal identifiable records of a student without prior notice or consent from the parent or eligible student, to a school outside the Ipswich School System to which the student seeks or intends to enroll. The names of the students who receive awards and honors will be released in the media periodically. If a student's name is not to be released to the media, or if you would like to opt-out of having a student's name be released to Military Recruiters the school must be notified in writing by a parent and/or student by October 1. Forms are available in the office.

## **SEARCHES**

School officials may search a student's person, a student's locker and/or desk, book bag and any luggage taken on athletic, band or other school trips if there is reasonable suspicion that drugs, alcohol or contraband are being held or transported therein, if school rules are being violated, and/or a student's actions jeopardize their individual safety or that of the school. Vehicles driven by students and parked on school property may also be subject to search.

## **SMOKING, VAPING AND TOBACCO USE**

Smoking is prohibited in the school and on school grounds at all times. Cigarettes, e-cigarettes, vaporizers, tobacco, nicotine gel, matches, lighters, or any other item used for the consumption of tobacco products will be confiscated and parents may be notified. Any student smoking or in possession of a tobacco product may be suspended one day for the first offense. Subsequent offenses will result in a two to four day suspension.

In deference to the safety of all students, the making and throwing of snowballs and snow or ice will not be allowed. Infractions will result in detention or possibly suspension.

## **SOCIAL PROBATION**

As an alternative to in-school or out-of-school suspension, a student may be placed on social probation as a result of repeated violations of the Ipswich High School Student-Parent Handbook, serious offenses such as violation of drug and alcohol rule, or other causes for suspension as determined by the principal or his/her designee. A student who is placed on social probation by the school administration will be prohibited from 1. being on campus after school hours, 2. attending, as a spectator or participant, after school activities such as athletic events, dances, banquets, proms, and ceremonies including graduation and senior activities. Social probation will be applied as a consequence on a case-by-case basis. The school administration will utilize the following guidelines in applying social probation. Final determinations are within the discretion of the school administration:

- Suspensions of one (1) to three (3) days = social probation of one (1) to three (3) weeks
- Suspensions of four (4) to ten (10) days = social probation of four (4) to ten (10) weeks

A student may request a review of their social probation status with the school administration if they have made improvements in their behavior and can document such improvements.

Daily attendance is taken during the first period class. Students arriving after 7:45 am must check in at the main office before reporting to class. Failure to report to the office will result in disciplinary action.

Students will be allowed 5 tardies per quarter. Subsequent tardiness will result in the student losing the privilege of being involved in any school related clubs, teams, or activities. Each tardy in excess of 5 per quarter will result in detention.

Students who are tardy to school may be required to make up any tests, quizzes or work missed from the tardiness on the same day. Any schoolwork missed as a result of unexcused tardiness may not be made up.

In order to participate in extracurricular activities that day, students need to be in school by 8:15.

Parents or guardians of students who are regularly late to school because of extenuating circumstances must notify the Assistant Principal of this need as soon as possible in order for the tardiness to be excused. The administration recognizes that there are unexpected circumstances that may occur and that are beyond a student's ability to control, (power failures, unsafe weather conditions, etc.), in these situations, a waiver will be granted.

### **THREATS AND/OR ASSAULTS AND ABUSIVE BEHAVIOR (Faculty and staff)**

Students who threaten or assault a staff member are subject to disciplinary action up to and including expulsion.

### **THREATS AND/OR ASSAULTS AND ABUSIVE BEHAVIOR (Student)**

Students wishing to bring visitors to the school must get approval from the Principal or Assistant Principal at least 3 days prior to the visit with a note from the host student's parents authorizing the visit, with criminal background checks (CORI) being required for visitors 18 years of age and older. The host student is responsible for the visitor's conduct at all times. If the visitor behaves in a manner that is unacceptable or disruptive to the atmosphere of the school, the guest will be required to leave.

The use of vulgar, profane and/or obscene language is not appropriate in school. Use of this language will result in a student being assigned to detention or up to 3 days suspension depending on the offense and severity of the incident.

### **WEAPONS**

Possession of knives or other weapons on school grounds during the school day or during a school-sponsored event will result in disciplinary action up to and including expulsion.

### **WITHDRAWAL FROM COURSE AND COURSE CHANGES**

Students will be allowed to withdraw from courses ONLY during the first week of a semester. Each request for withdrawal will be considered on its own merit and benefit to the educational needs of the student. Students must continue to attend a class from which they have requested to withdraw

until they receive final approval from their School Counselor. All requests for course changes must be made through their School Counselor.

### **WITHDRAWAL FROM SCHOOL**

#### **DESTRUCTION OF RECORDS**

School authorities are also allowed to destroy misleading, outdated or irrelevant information in the record from time to time while the student is enrolled in the school system. Before any such information may be destroyed, the parent and student must be notified and have an opportunity to receive a copy of any of the information before it is destroyed.

A student's records consist of the student transcript, which is kept indefinitely, and the temporary record, which is destroyed five years after the student leaves the school system. The rights of students concerning their records are defined by State regulations. The persons who may exercise rights under the regulations are as follows:

- A. If a student is under the age of 14 years or has not entered the ninth grade, the student's parent or guardian must exercise these rights.

**COURSE LOAD REQUIREMENTS:** Students must take 35 credits each year to assure promotion from one grade to the next.

**PROMOTION REQUIREMENTS:** In individual cases some students are permitted to complete courses and meet graduation requirements from high school in three and one half years. Permission to complete an accelerated program may be granted according to the following criteria:

1. Demonstrated ability to consistently do above average work
2. Is mature and responsible and has an excellent attendance record.

Those students wishing to complete courses and meet graduation requirements in three and one half years must submit their request before course registration time in the spring of their Junior year. The final semester must include an internship and/or college courses.

If the parent agrees to the early graduation option, a formal application shall be submitted to the School Counselor before submission to the principal. The Principal will notify the applicant in writing of the final decision.

Students must meet all of the above criteria as well as Course Requirements for Graduation in order to qualify. Permission to plan for an early graduation rests with the teachers, counselors, parents and the Principal. Early graduation is not guaranteed simply by successfully passing the required number of courses. Each case is considered on an individual basis.

Students 18 years of age or older are not required to have parent involvement; however, it is strongly recommended that they do.

### **FEES FOR CURRICULAR AND CO-CURRICULAR ACTIVITIES**

A few courses may require a financial obligation on the part of the student to cover the cost for special material or equipment. The cost may vary according to the number and types of projects the student participates in:

Physical Education: Students must provide their own athletic shoes and appropriate clothing.

### **FIRE DRILLS, BOMBS, AND FALSE ALARMS - 911**

### **GRADING SYSTEM AND EXAMINATION**

**REPORT CARDS:** Report cards are posted on-line four times a year: November, February, April and June. All borrowed school materials must be returned to the teacher/coach before report cards are issued. Letter grades corresponding to a numerical equivalent are recorded. No credit is given for a grade below 60. See the section on Grades.

**WEB-BASED GRADING:** Parents and students are encouraged to utilize the on-line, web based grading program. The teacher gradebook is available 24 hours per day with an expectation that teachers have one week to post grades. Projects or reports that take longer than 1 week will be identified by teachers.

**MID-YEAR EXAMS AND FINAL EXAMS:** They should cover the first and second semester's work respectively and count for 20% of the semester grade. If a semester exam is not given, then the semester grade is the average of the two quarters' grades. Final grades for a full year course will be arrived at simply by averaging both semester grades. Seniors with an average of 90 or above will be exempt from taking the final exam in that course in the second semester. Students are not permitted to take final exams early. Students who miss midyear or final exams will need to make them up at a time determined by the student's teacher in consultation with school administration.

**GRADE, GRADE POINT AVERAGE**

1. **GRADE POINT AVERAGE (G.P.A) AND COURSE TABLE.** This assignment of weighted value conforms to the recommendation of the Massachusetts Board of Regents of Higher Education Class Rank Task Force. High schools will be expected to report students' G.P.A. to the State Colleges using this system. The passing grade is D-:

	<u>WEIGHT</u>			
	<u>A.P.</u>	<u>Honors</u>	<u>College Prep 2</u>	<u>College Prep 1</u>
A+	5.00	4.50	4.00	3.50
A	4.70	4.20	3.70	3.20
A-	4.50	4.00	3.50	3.00
B+	4.30	3.80	3.30	2.80
B	4.00	3.50	3.00	2.50
B-	3.70	3.20	2.70	2.20
C+	3.40	2.90	2.40	1.90
C	3.00	2.50	2.00	1.50
C-	2.70	2.20	1.70	1.20
D+	2.40	1.90	1.40	.90
D	2.00	1.50	1.00	.50
D-	1.70	1.20	.70	.20

2. By offering courses at four difficulty levels, all students can succeed in courses at their own level and earn a place on the Honor Roll. By weighing the G.P.A., we provide incentive to the students to take courses at a more difficult level. This hybrid system promotes both academic achievement and appropriate recognition and rewards for hard working students of various abilities.

3. Students who transfer in after the end of their sophomore year will not have a cumulative GPA assigned.

### **SUMMER SCHOOL CREDITS:**

The Guidance Department must give prior approval for a student to attend summer school.

### **COMMUNITY SERVICE**

As a prerequisite for successful citizenship, Ipswich High School expects each student to make a significant contribution to the community. Community service embodies a core value that every good citizen embraces. All students will experience the personal rewards of serving the needs of the community's social fabric by donating their time and skills to advance worthy institutions and endeavors.

Ipswich High School expects every student to complete an approved Community Service Project during their high school experience. These projects will be a minimum of 30 hours in duration. Unless the organization has been pre-approved by the high school, all projects must be approved in advance by the high school principal or his designee. Project completion will be monitored by the community service coordinator for completion. Projects will be graded on a Pass/Fail basis. Any student who has not completed their community service requirement by the end of their Junior year will receive a grade of "F" indicating that they have not yet met this requirement. Seniors will have until the end of the first marking period of their senior year to earn a passing grade for their service requirement.

Information regarding service opportunities for students and a list of pre-approved organizations can be found on the high school website.

### **HEALTH SERVICE**

The school nurse or health aide is in the building every day from 7:45 to 2:45. In accordance with the Ipswich School Committee Policies, the nurse is not allowed to treat a student, but is able to administer First Aid. When a student is ill, parents will be contacted to arrange for the student to be sent home.

Accident insurance is available to all students for a nominal fee. Students should consider this insurance as it covers athletics (not including football). Insurance policies will be offered at the beginning of the school year or upon entering Ipswich High School.

Lost and found articles should be turned in or claimed at the office.

### **MEDIA CENTER**

The Ipswich High School Media Center is a multimedia library containing a wide variety of information, equipment and computers.

Students are expected to respect the rights of others to read and study in a quiet environment. Students who are disruptive will be referred to the Assistant Principal and the loss of the privilege to use the Media Center may result.

### **THE BRIDGE PROGRAM**

The BRIDGE program at Ipswich High School is a six-week program at the end of the senior year. Participants spend 30 hours per week at their worksite, gaining valuable career insight and experience. To qualify, students must have a minimum of a 70 average in each of the first three quarters in each subject during the senior year, must have a record free of disciplinary action during their senior year, and must be on track to meet all requirements for graduation. Completion of required courses entails a special project or paper. For elective courses, partial course credit is awarded. Students do not attend classes during the internship period, with the exception of Advanced Placement (AP) courses. Five elective credits are awarded upon successful completion of the internship.

### **PERFORMING ARTS RULES**

1. School Rule: If a student is absent, dismissed, under suspension or more than a half day tardy (8:15 am) from school on the day of an event or on a Friday preceding a Saturday event, they may not be allowed to participate or attend unless the absence has been excused by the Principal or the Assistant Principal. If a student is dismissed without appropriate documentation before 1:30 on Monday, Tuesday, Wednesday, or Friday; or 12:30 on Thursdays, then the student will be ineligible to participate or attend performing arts activities after school.

2. Perfect attendance at rehearsals and performances with emphasis on being punctual is expected. No unexcused absence from a dress rehearsal or a performance will be tolerated. The third unexcused absence from a rehearsal or the first unexcused absence from a performance or a dress rehearsal may, at the discretion of the Director, result in a student being dropped from the group immediately, being denied participation the following semester or for the next production. An absence from a dress rehearsal may also result in the student not being allowed to perform in the subsequent performance. An absence should be cleared by the Director two weeks before a performance and one week before a rehearsal except in the case of last minute emergencies or illnesses. A student who receives academic credit for participation may receive a "0" for each unexcused absence and referred to the office regardless if the class meets beyond the school hours.

3. A student may be removed from any performing arts group immediately or be denied participation the following semester or performance cycle for behavior that is disruptive to the group process of learning and performing.

4. Students taking part in an extracurricular fine arts performance activity which is not required as part of their approved course work will be ineligible to participate if they have failed two or more classes the previous quarter or are currently failing two or more classes. Since the nature of performing group work means that the authentic assessment of the activity falls at the very end of the rehearsal period, the following condition shall apply:

Any student who becomes academically ineligible during the final three weeks of a rehearsal period will not be forbidden the opportunity to perform at the end of the cycle. Instead, the student will not

be allowed to audition for the next scheduled performance cycle. Upon satisfying the eligibility requirement, the student may petition to join the cycle in process as a member of a technical or running crew, subject to the same eligibility requirements.

5. Any student who makes a commitment to a performing group and drops out without just cause may be, at the discretion of the Director, withdrawn failing (if it is a curricular group) and may be denied participation the following semester.

6. Students assume responsibility for all materials and equipment issued and are expected to make restitution for lost or damaged property.

7. A student who drinks alcoholic beverages or uses drugs while in a performing group will be banned from participation in the current performance cycle and referred to the school administration. The student will be banned from participation in all performance groups the following semester for a second offense. Selling or intent to sell alcoholic beverages or drugs may result in a year's suspension from performing groups.

8. A student caught smoking will be referred to the school administration and be put on warning by the Director; for subsequent offense the student will be banned from participation in the following Company performance cycle and the following semester for curricular performing groups.

9. Any student drinking alcoholic beverages or using drugs on a school sponsored music or drama trip may be sent home at their expense and will be referred to the school administration for disciplinary action.

10. **MUSICAL INSTRUMENT STORAGE:** Because there is an extreme shortage of secured storage space for instruments at Ipswich High School, each student is responsible for insuring their own instruments if they wish. The Ipswich Public Schools will not accept financial responsibility for student owned instruments reported lost or stolen.

### **PROJECT ADVENTURE**

Project Adventure activities are part of the Physical Education program for grade 10 and are held outdoors throughout the school year. An indoor rope course is utilized if adverse weather conditions occurred.

All outdoor Project Adventure winter activities require appropriate clothing. All students **must** have safe warm winter shoes or boots (Kickers, L.L. Bean, Survivors, etc.). Heeled shoes or boots will not be allowed at any time of the year. It is also required that students wear gloves, hat and a warm jacket or coat. Due to the nature of Project Adventure activities, students' clothing may get dirty or muddy, therefore a change of clothing is essential.

Failure to wear safe, warm clothing will result in a zero for the class period and the student will be required to meet with the teacher at the end of the day. If there is a third offense, the student will be reported to the office for detention. All zero or missed classes must be made up.

### **SENIOR PRIVILEGE**

The senior privilege rule has a twofold purpose: 1. To reward positive academic and social behavior, and 2. To provide seniors with an opportunity to practice individual responsibility with support and guidance from the school. Eligible students are required to sign out in the main office before being permitted to leave the building during R block, VHS classes, and lunch. Seniors with the privilege will be permitted to have their cell phones during the school day, but their phones must remain silent and out of sight while in the school building. To be eligible for the senior privilege, students must satisfy the following requirements:

1. Be a full-time member of the senior class
2. Complete the application form
3. Have no more than a total of five (5) tardies, absences, or dismissals in the previous 45 days of school
4. Have no current grades lower than a C-
5. Have a clean disciplinary record for the two most recent academic quarters

Eligibility does not begin until the end of the first quarter. The privilege will be immediately revoked if the senior fails to maintain any of the above eligibility requirements listed above. If found having his or her phone out in school, the senior may lose privilege for a number of days as determined by administration. Further, if the senior is cited for a moving violation, transports an underclassman during the school day without prior permission, or fails to adhere to the expectations for student behavior described in this handbook, the privilege will be revoked until a date determined by the school principal or his/her designee.

### **STUDENT EMPLOYMENT REGULATIONS**

Before reporting to a formal job, students under the age of 17 **MUST** apply for a work permit at the Superintendent's Office.

### **TRANSCRIPT AND MAILING FEE**

Seniors are entitled to receive one free copy of their official high school record mailed to the college or institution of their choice. The mailing consists of an official transcript, a Profile of Ipswich High School, other requested records and a return postage-paid postcard indicating that the record has been received by the college. Additional requests for mailings will cost \$1.00 each, payable in advance. Graduates will be charged \$3.00 for each request for a transcript and/or records.

*Under 603 CMR 23.07 (4) (g), notice is given that families are not required to provide additional consent if the District forwards the records of any student transferring to a new school district.*

### **VALUABLES AND MONEY**

Valuables and large sums of money should not be brought to school. However, if they are brought, they should be deposited in the administration office safe for safekeeping. No valuables should be left in student or gym lockers. Lockers are expected to be locked at all times.

### USES FOR IPSWICH PUBLIC SCHOOLS STUDENT EMAIL

The student Acceptable Use Policy covers email as well as other technologies. What follows is a specific summary of guidelines related to email:

- Email is to be used for school-related communication only and students are encouraged to check their email regularly.

- Teachers may send email to their students to communicate reminders, course content, pose questions related to class work, and other class-related items.
- Students may send email to their teachers with questions or comments regarding class or to turn in an assignment.  
*However, there will be no requirement or expectation for staff to answer student email outside of their regular workday, although they certainly may if they choose. For example, an unanswered email to a teacher would not excuse a student from turning in an assignment.*

  - send harassing, offensive email messages or content.
