An important reminder ~ if you are traveling out of Massachusetts over the school break, you must report this to Siobhan Lemire, Doyon School Nurse, at slemire@ipsk12.net along with a return plan. As a school district we are requiring students of all ages to be tested before coming back into the building, unless they complete a 10 day quarantine upon return to Massachusetts.

Wishing everyone a healthy, restful, safe and fun winter break!

Tech Help

As your children's at home technology time continues, you may find that you need help with technical issues. The Ipswich Public Schools' Technology Department created a student support email to help students and parents. If you are experiencing technical frustrations, feel free to email them at studentsupport@ipsk12.net and they will do their best to help!

At the end of the video, Mrs. Collins explains the various ways you can take out any book you may want or need. Happy Reading!"
