August 14, 2020

Dear Families

Happy Friday!

Thank you to all the parents/guardians who were able to attend the grade level ZOOM meetings this week. It was so nice see everyone. I was glad to be able to share the most up-to-date information about Districtwide decisions and how these decisions impact Doyon. I appreciated all the questions and glad I had answers to most of them. Thank you for your patience with the questions that we do not have answers to yet. It was wonderful to meet our Doyon families who are either Kindergarten parents and/or new to Ipswich! Welcome to our Doyon Community!

Today Dr. Blake sent the IPS *Return To School* document to DESE. You should have received a phone call and email from him this afternoon that provides the link to the document. I am also providing it here:

<https://www.ipsk12.net/cms/lib/MA02212674/Centricity/Domain/8/Return%20to%20Learn%20Document%20Outline.pdf>

Over the weekend, I will review the notes from the Doyon ZOOM meetings and cross reference with Dr. Blake's 41 page *Return to School* document. On Monday, I have scheduled Faculty ZOOM meetings with each grade level team and specialists to Review the *Return to School* document and discuss next steps.

After my Monday meetings with my faculty, I will send a newsletter responding to the notes from the Parent/Guardian ZOOM meetings and the latest ideas that have been shared by parents/guardian and staff. Any parent/guardian who was unable to attend the ZOOM meeting and wants to view the recording of the meeting, please send me an email and I can forward it to you.

On a happy note, Ed Ogden's wife called this afternoon to share that his hip surgery went well and he is on the road to recovery. Thanks to those families who have dropped off cards and artwork. I am sure the cards and artwork will put a smile on his face as the children of Doyon always do! Feel free to drop them off and we will be sure to get them to him.

I hope everyone has a nice weekend. Stay safe.

Sheila

*At the Paul F. Doyon Memorial School, our vision is to create a joyful learning community of creative thinkers, innovative problem solvers and compassionate citizens of the world.*
