August 27, 2020

Dear Families,

It surely has been another busy week.

After reviewing the results of the Parent and Staff surveys, much of this week has been spent working on student placement. In order to keep within the social distancing 6 feet guidelines in classroom and facilitate the large number of families who have chosen the Hybrid (in person) model, developing the class lists has been very challenging. I am looking at reassignments of teachers and staff to accommodate the fully Remote Learning and the Hybrid cohorts.

Teachers and staff will be returning to school on Monday and finalizing their supply lists at that time. Grade level supply lists will be posted on the Doyon website as of Tuesday morning. I will also have Ms. Digby send them via grade level emails.

If there are any families who chose the Hybrid model due to the concern that their child would not meet their teacher in person and/or on a ZOOM at the start of the school year, that is not the case. All teachers want to make a connection with their students whether they are fully Remote or Hybrid.

If that factored into your decision, please contact me at shalloran@ipsk12.net by the end of the day on Friday stating that you want your child to start the year fully Remote. This information will assist me in finalizing placement. My concern of families switching from Hybrid to Remote during the first few weeks is that it may hinder your child's smooth start to the school year during these very unusual times.

As new ideas and questions arise, please continue to feel free to reach out to me. Thank you again for your time and patience. Enjoy your weekend.

Sheila

At the Paul F. Doyon Memorial School, our vision is to create a joyful learning community of creative thinkers, innovative problem solvers and compassionate citizens of the world.
