

**William Payne Grant Application Form**

ATTACHMENT A: Technogoly Approval Form

**TechForm**

Rev A.4.17

**Section 1: Basic Information**

<b>Title of Proposal</b>			
<b>Applicant Name</b>			
<b>School</b>	<b>Position or Title</b>		
<b>Telephone</b>	<b>Email</b>		
<b>School population targeted by the proposal</b>			

**Section 2: Technology Requirements**

Please submit this form to the technology department to ensure that the current infrastructure can support the technology requested in your mini-grant. Should you have any questions, please contact Jeannie Frash ([jfrash@ipsk12.net](mailto:jfrash@ipsk12.net)). Conversely, if the technology department has any questions, you will be contacted before the Payne Grant submission date.

1. What technology are you requesting within your grant application?

Quantity	Device	Price per Device

2. For what purpose will you use this technology?

---

---

---

3. What extras do you feel you need to support this technology? (Please consider covers, cords, installation, storage, shipping, etc.). Please list these items below.

Quantity	Extra Item	Price per Item

**Section 3: Technology Signoff**

\_\_\_\_\_The technology department approves the request for this technology and the corresponding extras detailed above.

\_\_\_\_\_The technology department does not approve the request for this technology at this time.

\_\_\_\_\_  
(Technology Department Signature)

\*Please attach this form to your completed Payne Grant application.

\*\*Please note that signoff on technology does not indicate approval of your Payne Grant
