1. Academics: Social Studies, Math & Reading

- Teachers will begin the process of reviewing and aligning our current elementary Social Studies curriculum with new Social Studies Standards.
- Utilize Christopher Danielson's visit as a professional development opportunity for all elementary educators to learn and grow.
- Using data to inform instruction

2. Communication:

- School Council will participate in the following two Communication goals:
- Early Childhood Outreach
- Safety & Caring
- FRIES will continue to be a positive organization fostering communication with the Doyon community as well as the Ipswich community.

**3. Social Emotional Learning and Connecting with the Global Community:
Responsive Classroom & more**

- Responsive Classroom - Morning meeting implementation K-5
- Utilization of resources and formation of a PLC
- Yearly Global Read Aloud
- Visual Reality Google Expeditions
- Mix-Up Day
