## How to map an IPS Network drive on a Mac

1. Click on the Finder icon
2. Click the Go menu and choose Connect to Server... (You can also press the Command+K keyboard shortcut)
3. The Connect to Server box will come up. Enter smb:// then the path of the drive, then click Connect.

The drive path for IPS networked drives at each school is listed below:

High School Faculty:
Drive H (Home folder) - smb://IPS-FP/HS_Faculty$/<username>
Drive T (Teacher common folder) - smb://IPS-FP/HS_Teacher$
Drive R (Student read-only shared folder) - smb://IPS-FP/HS_Read
Drive S (student project shared folder) - smb://IPS-FP/HS_ProjectShare
Drive U (student's home folders) - smb://IPS-FP/HS_Student$
Drive P (student's portfolio folders) - smb://IPS-FP/Portfolio

Middle School Faculty:
Drive H (Home folder) - smb://IPS-FP/MS_Faculty$/<username>
Drive T (Teacher common folder) - smb://IPS-FP/MS_Teacher$
Drive R (Student read-only shared folder) - smb://IPS-FP/MS_Read
Drive S (student project shared folder) - smb://IPS-FP/MS_ProjectShare
Drive U (student's home folders) - smb://IPS-FP/MS_Student$
Drive P (student's portfolio folders) - smb://IPS-FP/Portfolio

Doyon School Faculty:
Drive H (Home folder) - smb://IPS-FP/DO_Faculty$/<username>
Drive T (Teacher common folder) - smb://IPS-FP/DO_Teacher$
Drive R (Student read-only shared folder) - smb://IPS-FP/DO_Read
Drive S (student project shared folder) - smb://IPS-FP/DO_ProjectShare
Drive U (student's home folders) - smb://IPS-FP/DO_Student$
Drive P (student's portfolio folders) - smb://IPS-FP/Portfolio

Winthrop School Faculty:
Drive H (Home folder) - smb://IPS-FP/WI_Faculty$/<username>
Drive T (Teacher common folder) - smb://IPS-FP/WI_Teacher$
Drive R (Student read-only shared folder) - smb://IPS-FP/WI_Read
Drive S (student project shared folder) - smb://IPS-FP/WI_ProjectShare
Drive U (student's home folders) - smb://IPS-FP/WI_Student$
Drive P (student's portfolio folders) - smb://IPS-FP/Portfolio
