

Ipswich Public Schools
Transportation Fee Procedure

**2018-2019
School Year**

Purpose: Implementing a transportation fee provides a source of revenue that offsets a portion of the district's annual transportation costs. Revenue raised allows funds currently budgeted for transportation to be spent for other educational purposes.

Transportation Fees:

- \$250 for the first student rider
- \$250 for the second student rider
- \$500 family cap

- \$25 discount for early registration by June 26, 2018
- \$25 charge for returned checks
- \$25 charge for late registration, after August 12, 2018
- \$10 charge for lost card replacement

Exempt Riders:

M.G.L. Ch. 71, Sec. 68 states that a school district cannot charge a transportation fee to students in grades Kindergarten through 6 who reside two or more miles away from the school they are entitled to attend.

Students who qualify for the Federal Child Nutrition Program (Free and Reduced Lunch) will not be charged the transportation fee. However, they must still register.

Refunds: Pro-rated refunds will only be provided to students moving out of the district.

Registration:

- All students who ride the bus must be issued a school bus pass and must register in order to be issued a bus pass.
- Only FULL DAY/FULL YEAR passes are available.
- Students will only be allowed to ride the school bus to which they are assigned to be transported from “home to school” and “school to home.”

Mileage determination:

- The district will use <https://www.google.com/maps/> to determine distance between home and school. The shortest walking route will be used.
- Disputed distance will be measured from the student's driveway at the street (public way) ending where students are dropped off at school.
- Further review, if necessary, can be made by the Department of Elementary and Secondary Education (DESE).
