¹ Public comment is not a discussion, debate, or dialogue between individuals and the School Committee. It is an individual's opportunity to express an opinion on issues within the School Committee's authority. While the Committee and/or administrators will not typically respond during Public Comment, the Chair, as presiding officer of the meeting, may choose to if s/he seems it expeditious. Further, should the Chair believe that an issue falls outside the purview of the School Committee, s/he may request that citizens direct it to the appropriate person or body so that the matter is given proper consideration. Public comment is limited to three (3) minutes per person and a total of 15 minutes, overall.

**All business not reasonably anticipated 48 hours in advance of the meeting.*

Agenda items may be taken out of order to fill time gaps and/or to accommodate presenters when necessary. All times are approximate.
