

MISSION STATEMENT

Vision: Ipswich Public Schools inspires all students to embrace the power, wonder, and joy of learning.

Mission Statement: Ipswich Public Schools aspires to empower *ALL* students to be global citizens who are effective communicators, analytical problem solvers and savvy consumers of information. We propose to do this through an emphasis on communication, critical thinking, creativity, self-management, perseverance and collaboration. Students will be active partners in authentic learning, offering voice and choice in demonstrating competency.

Theory of Action: *If* we provide all students with supportive and rigorous educational experiences that meet their social, emotional and academic needs AND immerse all students in engaging and challenging academic programs built on authentic, profound learning experiences driven by the Successful Habits of Mind AND ensure that all students will be prepared to face the challenges presented by an increasingly complex world, *then* our students will have the tools and dispositions to be successful in a dynamic world.
