

PUBLIC GIFTS TO THE SCHOOLS

The Superintendent will have authority to accept or reject gifts and offers of equipment for the schools in the name of the Committee when the gift is of educational value. In the case of gifts from industry, business, or special interest groups, no extensive advertising or promotion may be involved in any donation to the schools.

Gifts that would involve changes in school plants or sites will be subject to School Committee approval.

Gifts will automatically become the property of the school system. Any gift of cash, in the amount of \$500 or more, will be accepted by vote of the School Committee, handled as a separate account and expended at the discretion of the Committee or their designee, as provided by law.

The Committee directs the Superintendent to assure that an appropriate expression of thanks is given all donors.
