

SCHOOL ADMISSIONS

All children of school age who reside in the town will be entitled to attend the public schools, as will certain children who do not reside in the town but who are admitted under School Committee policies relating to nonresident students or by specific action of the School Committee.

Every student seeking admission to school for the first time must present a birth certificate and proof of vaccination and immunizations or letter of exemption as required by the state and the School Committee. Proof of residency of legal guardianship is also required by the school administration.
