WHEREAS, every district will commit to recruiting and retaining a diverse and culturally responsive teaching workforce; and

WHEREAS, every district will examine their policies for institutional and systemic racialized practices and implement change with sustainable policies that are evidence based; and

WHEREAS, every district will incorporate into their curriculum the history of racial oppression and works by black authors and works from diverse perspectives; and

WHEREAS, we as school district leaders can no longer remain silent to the issues of racism and hate that continue to plague our public and private institutions;

RESOLVED: that Ipswich Public Schools and all the school districts in the Commonwealth must guarantee that racist practices are eradicated, and diversity, equity and inclusion is embedded and practiced for our students, families, faculty and staff.

We must ensure our own school culture and that of every district in the Commonwealth is anti-racist, that acknowledges that all lives cannot matter until black lives matter.
